

Preventing Euthanasia & Assisted Suicide

Donate to HOPE

The most natural thing in the world is to have HOPE.

HOPE is a grassroots movement designed to help inform the public debate on euthanasia and assisted suicide.

It's also about helping people become active in voicing their opposition.

There are a number of ways you can get involved:

1. Register for our regular updates and newsletters
(and encourage your friends to join!)
2. Write to your members of parliament.
3. Spread the word — tell all your friends about HOPE!
4. Make a donation today!

You can donate directly to HOPE via EFT with the following information.
(If you wish to receive a receipt, please include your surname or other identifier as a reference. Please drop us an email if this is your first time.)
